### Quizzes

Why not have a totally different meeting?

Our quizzes are unique – 'normal' quiz questions, a picture round, and 'groaners'!

In addition to 'ordinary' quizzes, we cater for special occasions such as Christmas, St George's Day, etc.

*Please ask for a sample or download from:*

## Entertainment for Clubs & Societies 2017

Are you a booking secretary for your organisation?

Are you looking to fill an hour or so?

Do you want to be entertained?

Then look no further.

Below are the topics of our Audio-Visual presentations which we currently offer

Quality photographs and an interesting commentary – what more could you ask for!

We travel all over Yorkshire and parts of Cheshire, Lancashire, and Derbyshire.

Currently we charge £50 for 'standard' organisations, plus travelling expenses if outside Kirklees. [Too expensive? Give us a ring, we can only say 'No!']

When talking to larger groups and businesses we start at £150 plus travelling expenses.

### AV1 A Week On T'Cut

An imaginary week's cruise around the inland waterways of Britain calling at various highlights of our National and Industrial Heritage.

Stopping off points include the Barton Swing Bridge, the Anderton Lift, the Waterways Museum, the Huddersfield Canal, plus many more.

*Probably our most popular offering.*

### AV1b Another Week On T'Cut - *new*

'A Week On T'Cut' has proved extremely popular since its first airing some 30 years ago. Only minor alterations have been made to the presentation throughout this time whilst more cruises have taken place in the Midlands and Southern England with, naturally, many incidents.

What is it *really* like going through tunnels over a mile long? Do you *have* to moor outside a pub *every* night? What happens when someone falls in [health and *what*]?

*If you enjoyed 'A Week On T'Cut' you'll love this.*

### AV1c Scouting To Llangollen - *new*

I have cruised to Llangollen many times both as a and with Scouts. This presentation showcases the highlights and mishaps whilst on this waterway.

### AV1d Cruise Into Old Age!

Now the proud share-owner of a narrowboat, here are some tales of our exploits!

### AV2 The Lake District – Geological

A geological tour around this most picturesque area of the British Isles.

### AV3 The Lake District - Cultural

Taking in the scenery and cultural heritage of the Lake District. There are also first-hand reports from the recent past of how life used to be like living in this mountainous region.

### AV4 The Lake District – All That You Didn't Know!

Or perhaps you do! Little & well known facts about this area of outstanding natural beauty – a miscellany of trivia!!

### AV5 The Yorkshire Dales

Wild and picturesque, why people return again and again and again. *[Please ask regarding availability.]*

### SE6 Monologue World

Major world events as recorded by Monologues - Jonah and the whale, the Ides of March, etc, etc. These are set against a backdrop of historical sites.

### SE7 Meet The Ramsbothams

Perhaps the most famous monologue family of them all. Hear the antics of Albert and his parents - remember how he was eaten by the lion at Blackpool Zoo?

### SE8 Christmas Humour

A set of monologues and ditties based around Christmas.

### SE9 How Did We Get To This? - *new*

Charting the ascent of man [& woman!] down the ages through humour & verse.

### SE10 Science Through The Ages - *new*

Pythagoras, Plato, Aristotle, Newton, Hawkins, et al: the real truth about triangles, apples, black holes, etc, explained through humour and verse.

### SE11 It's An Age Thing - *new*

This is not for you if you don't want to be reminded about growing old! Humorous stories & verse.
